Over 1,100 Coffee Times hosted since 2006!

# Coffee Time

For Elder Care Providers

**Bringing elder care professionals together for over 17 years: for collaboration, inspiration, and serving seniors & their families in a circle of care.**

SASH Coffee Time began in the fall of 2006, as a way to help professional elder care providers in the Puget Sound area to connect, learn about each other's services, and refer clients to one another. Since then, SASH Services has hosted over 1,100 Coffee Times in many locations, providing monthly opportunities to build relationships and strengthen our elder care network!

## What makes SASH Coffee Time different from other networking events?

Never any cost to attend • No RSVP needed • Always fresh coffee and treats provided!  
No guest speakers – our attendees are our special speakers • A different mix of providers every time  
Every guest has a chance to share about their services • Great networking!
