You're Invited to Coffee Time! Connect With Your Elder Care Network from Anywhere

SASH is excited to connect with our elder care network in 2022! Join us in person or via Zoom at one of our five locations as we share resources, encouragement, ideas, referrals, smiles, and inspiration for the work we do every day ~ caring for our seniors and their families.

A SASH CLIENT STORY

Before

The Squire family had a tough couple of years. After Mr. Squire passed away, Mrs. Squire tried to keep their house up on her own. When she began to decline, their daughter moved in to be her full time caregiver. Right as the pandemic began, Mrs. Squire passed away, and funds ran out. There were no resources to get the home ready for sale.

The Squire family heard about SASH from a community non-profit organization. SASH stepped in and provided all of the assistance needed, through months of attentive care and expertise. We helped the daughter move to another state, then emptied the home and carried out a renovation to bring the home back to a beautiful presentation.

A multiple-offer bidding war created the **best financial outcome** the family could have hoped for! SASH handled every step with compassion and care for the Squires.
